RE: Thank you

Dear Tony,

Partnering with Greg Morgan in the Carolina's was a good move. His 30 years of experience working with the South Carolina Department of Revenue was a benefit to Auria when reviewing our Spartanburg assessment.

Greg also helped Auria achieve tax savings in North Carolina at our Old Fort facility! His negotiation skills with assessors is extraordinary. He knows the lingo and what the assessors require.

I wish Valu Tec and Greg Morgan continued success in your partnership!

Cordially,

Annette Benson
Sr. Director of Tax
