RE: Letter of Recommendation

Dear Tony,

Valu Tec filed annual personal property returns for both of our Supreme Machined locations, achieving tax savings for our Spring Lake, MI facility.

It is also reassuring to know our Anderson, SC facility is fairly assessed. Thanks for making the site visit.

Thanks to Valu Tec, we have also achieved real property tax savings at our Spring Lake facility. Your informal approach and professionalism helped maintain our relationship with our assessor.

We appreciate the time that you have invested into both of our facilities. It is my pleasure to recommend your services to any company looking to lower their tax liabilities.

Sincerely,

Gregory M Olson  
President
