RE: Referral Letter

Dear Tony,

We have achieved great tax savings since partnering together with Valu Tec. In 2008 our relationship with Valu Tec began with the handling of our personal property audits and also the completion of our annual personal property returns, for our various locations. Since then Valu Tec has continued to be of service to us by annually reviewing both our real and personal property returns.

You and your staff have been instrumental in organizing our assets in a way that we can maintain good control of them.

We appreciate your quick responses to questions and concerns we have. It is helpful to us that you anticipate deadlines that need to be met. Your staff reacts quickly to our needs and they have been very easy to work with.

Sincerely,

Chris Nott
Accountant
