RE: Letter of Thanks  
Abatements

Tony,

Anchor Coupling Inc. and Caterpillar Inc. would like to thank you for quickly putting together three types of abatements. Your knowledge of the law and relationship with our city officials will help us benefit from the tax savings obtained from these abatements in 2015.

Valu Tec's continuing efforts to keep our tax basis low is greatly appreciated.

Cordially,

Greg Franda  
Business Manager
