Dear Tony:

I am writing to thank you for your work regarding our property tax filings and additionally, for your work regarding abatements for our Chassix – Benton Harbor, Montague and Warren locations. You worked closely with the taxing jurisdictions and were able to secure the abatements at very late dates and prior to the deadlines.

On behalf of Chassix, I wish to thank you for your professionalism and expertise and am pleased to give our recommendation to those considering retaining Valu Tec as their property tax consultants.

Regards,
