To Whom It May Concern:

It has been an honor to have known Tony Sokol for well over 20 years. It has been a pleasure working with Tony on various Michigan Assessor's Association projects. His enthusiasm and energy makes working with him always a noteworthy occasion.

The reputation of his firm is well known throughout multiple states. More consulting firms should take their non-confrontational approach. This would result in better relationships with Property Tax Assessors and in the end, fair and equitable valuations.

I feel confident in Valu Tec's ability to provide a high quality service to their client. I would recommend that any company or taxing jurisdiction in need of a property tax consulting service utilize Tony Sokol and his staff at Valu Tec.
