RE: Referral Letter

Dear Tony,

I just wanted to express my gratitude for all of the work that you've invested into reducing Display Packs' personal property taxes. We appreciate the time you spent working with the City's personal property appraiser to arrive at a fair assessment.

We also appreciate your working with our assessor to ascertain a reduction of our real property taxes. We look forward to the positive results.

It's a relief to have an honest company like Valu Tec working alongside of us.

We are more than happy to recommend your services to anyone looking for a property tax consultant!

Sincerely,
