RE: SUPERVALU Warehouse
Kenosha, Wisconsin

Dear Tony

Thank you for your letter of May 7, 1997 relating to the new valuation for our facility at Kenosha, Wisconsin. You did it again!

As a result of your review of the valuation, our firm will enjoy a reduction of the proposed assessment, resulting in an annual tax savings of approximately \$23,000. This will amount to savings in excess of \$300,000 for the past three years!

You, and your staff, continue to represent our firm in a professional manner. As I mentioned earlier, your professionalism is very important to me since you and your staff are an extension of our firm and as such our reputation is in your hands each time you deal with the taxing official on our behalf.

Again, thank you for the fine job. I look forward to working with you in the future.

Sincerely,
