RE: Letter of Thanks!

Dear Tony & Staff,

I wanted to thank you for working with us on our personal property review. This assessment helped us to discover that we were not getting the full benefit of our 328. The Valu Tec team was very knowledgeable of the process and was easy to work with.

Through negotiations with the assessor, we were able to get a refund for overpaid taxes and to correct the returns going forward.

I would not hesitate to recommend Valu Tec to another business looking to keep their tax basis at a minimum.

Sincerely,

Cory Bale
