RE: Thank you!

Tony,

I wanted to extend our appreciation in reviewing our annual returns. We have an extraordinary situation in our taxing district and wanted to maintain a very informal approach. **With Valu Tec's assistance, I believe we have achieved our goal of getting as much tax savings out of our exemption as possible.**

We would not hesitate to recommend your services to other companies looking for a tax consulting firm.

Cordially,

Kevin Palmbos
Assistant Controller
