RE: Referral Letter

Dear Jill,

After some friendly persuasion on your part and verification of facts on my part, I signed an agreement with Valu Tec. The decision paid off and Component Solutions will benefit by saving property tax dollars in 2017 and forward!

Valu Tec's positive presence in Menominee was a strong influence in my decision to hire a consulting firm. After Tony Sokol's visit, we are now realizing there may be additional areas that we can use your expertise.

We would be happy to recommend Valu Tec's services to other firms looking to reduce their tax liability.

Cordially,
