RE: Referral Letter

Tony,

I would like to thank you and your Valu Tec Team for always being available to us to answer our questions and our concerns.

Your personal property compliance service in Michigan the past two years has been invaluable. Filing our returns, addressing assessment errors, and verifying our tax bills has given us the time to focus on the tasks that we do best.

We have used Valu Tec's services for many years now and we look forward to continuing this relationship.

Cordially,

Jack White
Corporate Controller
