RE: 2017 Revised Personal Property Returns

Dear Valu Tec Staff,

With our corporate office in Illinois, we were not aware of the changes occurring with Michigan Personal Property phasing out. Thanks to Valu Tec, we were informed and able to take advantage of a small window of time and opportunity. Valu Tec property filed our returns using the eligible manufacturers personal property forms and we were more than pleasantly surprised to see the benefit!

We now have a knowledgeable firm that keeps apprised of the governmental changes in property tax law and will ensure our tax basis is kept at a minimum.

We would be happy to recommend your services to other companies.

Sincerely,
