RE: Property Tax Matters
Michigan, Indiana, Tennessee & Georgia

Dear Valu Tec Staff,

I would like to take a moment to thank the Valu Tec staff for helping us through the annual realm of property taxes. We have come to think of Valu Tec as an extension of our tax department!

Knowing that our personal property in every referenced state is filed timely and correctly is a concern we can take off our plate. Ensuring our assessments are correct as filed is an additional task we gladly turn over to you.

Please find this letter as our recommendation to any company that is in need for a good asset management company.

Cordially,

A handwritten signature in purple ink that reads "Julie Samson".
