RE: Recommendation Letter

Dear Tony,

I would like to commend you and your team for the timely completion of our recent asset inventory at our Chicago 31<sup>st</sup> Street facility. The project far exceeded the time frame we had allotted for this due to the organized process you had in place.

The daily meetings up-dating our site controller kept him apprised, and addressed immediate questions avoiding complications during reconciliation.

We would recommend your inventory services to anyone looking for an asset management company.

Sincerely,

Dianna Cutts
