RE: Referral Letter

To whom it may concern:

I have worked with Tony and the Valu Tec team for many years. Our company has property in multiple locations in various states, and more times than not, Valu Tec has secured a reduction of our property tax basis. All of these cases were completed without going through the board of review process, which otherwise would be very time consuming.

I would not hesitate to recommend their services to anyone.

Cordially,
